FBMT & the FHLB Member Impact Fund

First Bank of Montana, in partnership with Federal Home Loan Bank of Des Moines (FHLB Des Moines), is pleased to announce that Fairfield Community Civic and Recreation, Inc. received a \$10,000 grant from the FHLB Des Moines Member Impact Fund and First Bank of Montana.

FHLB Des Moines provides

funding solutions and liquidity to more than 1,200 members to support mortgage lending, economic development, and affordable housing in the communities they serve. The Member Impact Fund provides \$3 for every \$1 of an eligible FHLB Des Moines member's grant donation to strengthen the ability of not-for-profits or government entities to serve the affordable housing or community development needs of their communities.

"We are proud to be able to help with the renovation of our Community Hall which is such an important part of our community. It has been used by many people and organizations over the years, and we are sure this renovation project will be something our community is proud of for generations to come."

The Member Impact Fund awards are given in partnership with member financial institutions to communities in their districts to become more vibrant places to live and work. This is the second year that FHLB Des Moines offered the Member Impact Fund, which is designed for members to directly strengthen communities within targeted areas in its district.

First Bank of Montana’s Branch President, Mitch Johnson, states, “We are proud to be able to help with the renovation of our Community Hall which is such an important part of our community. It has been used by many people and organizations over the years, and we are sure this renovation project will be something our community is proud of for generations to come.”

Fairfield Community Civic and Recreation, Inc. was organized in 1969 to raise funds to construct a building for community use to promote and foster educational, recreational, physical, and social activities.

These funds will be used for renovation expenses to the Community Hall in Fairfield,

Montana. This includes a new HVAC system, new windows, and a new vestibule entry with an ADA compliant entry door. This building is a vital fixture for this rural community as it provides a location for the local food pantry and is also used for community events and fundraisers.

“The Board of Directors, myself and the Fairfield community would like to thank First Bank of Montana for their pursuit in applying for this grant and thank you to FHLB Des Moines for awarding it to us. It is the businesses and community members, that support our mission to make the community hall a more comfortable and beautiful building to join for community, family and business events. The community hall is a major staple of our town and with this renovation, this building will serve our community for many, many years.”

Recipient organizations were selected based on the needs for grant funding to support capacity-building or working capital necessary to strengthen their ability to serve affordable housing or community development needs, including training, predevelopment assistance, management information systems or software, strategic planning, market study or community needs assessment, and working capital.

The Member Impact Fund is part of FHLB Des Moines’ ongoing mission to offer a variety of funding options through its members to support affordable housing and community development needs.
