BANKS

**Forbes**, one of the foremost financial publications in the world, again honors Glacier Bancorp as one of the top ten banks in the United States.

**Glacier Bancorp**, headquartered in Kalispell, Montana, is a regional bank holding company providing commercial banking services in 143 communities through 223 banking offices in Montana, Idaho, Colorado, Utah, Washington, Wyoming, Arizona, and Nebraska. First Bank of Montana, with its 9 branches, has served communities throughout Montana for 98 years.

## How Forbes calculates its rankings

**Forbes** bases its 2022 rankings on data collected by S&P Global Market Intelligence from filings submitted to federal and state regulatory agencies through September 30, 2021.

Business metrics used to calculate Forbes' rankings

*"As a member of the Glacier family since 2006, we are proud to be part of a great company and honored that Forbes continues to recognize Glacier as one of the top performing banks in America. This recognition is a tribute to the employees at First Bank of Montana and throughout Glacier Bancorp. Their passion for community banking is the foundation for our success."*
